

# Ethos™ Therapy Solutions

## Great Careers Start at Ethos

Sharing in a patient's journey to wellness is our greatest motivation. Each day we create truly meaningful impact on the quality and cost of patient care. You can too!

2008

Ethos has grown to be the nation's leading provider of air-fluidized therapy beds in the home. Excellence doesn't come by accident. It takes GREAT PEOPLE doing great things.

### OUR MISSION

At our core, Ethos aspires to always keep "care" in healthcare.

### OUR VISION

To be the trusted support surface partner that clinicians across the country depend on to help their patients heal.

### OUR VALUES

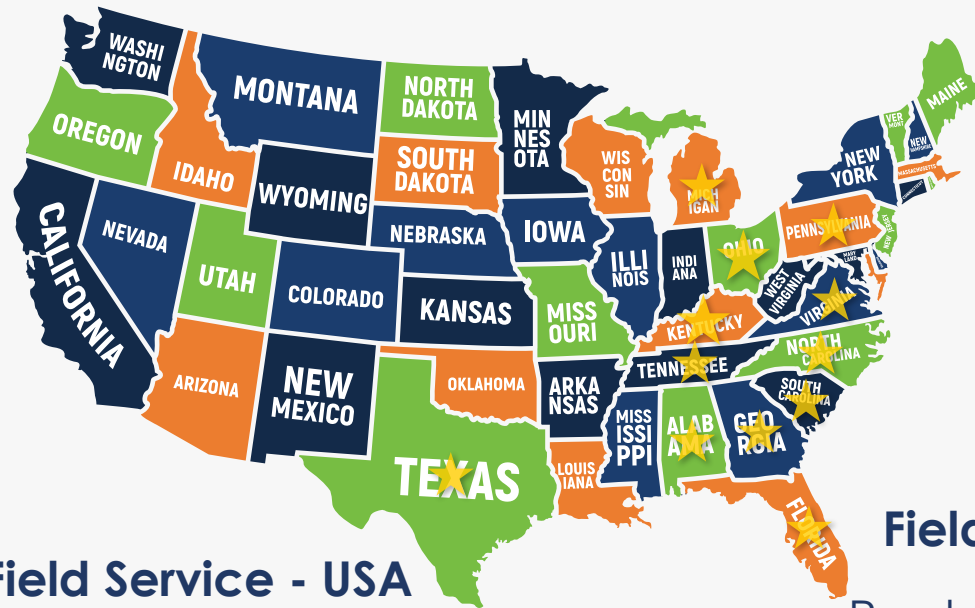

Patient care, patient comfort and patient healing are at the center of all we do.
